- You have the right to discontinue therapy at any time. However, it is expected that you will confer with your therapist rather than end treatment abruptly. If you decide to discontinue treatment, you have the right to request a treatment summary and referrals to other professionals.
- I understand that sessions run for 45-50 minutes and will not be extended to accommodate tardy clients. In addition, if your session runs beyond the allotted time (such as in an emergency situation), your fee will be adjusted accordingly.

## Office Procedures and Financial Agreement

*Please read, initial, and sign below. You may request a copy for your records.*

Chrysalis is a business facility where a number of mental health professionals practice. Your contract for services is with our facility and applies to any and all providers you may see here.

### **APPOINTMENTS:**

All office visits are by appointment and may be scheduled through our administrative staff. Please arrive on time, as you cut down on your appointment time when you arrive late. The usual length of an appointment is 45-50 minutes. If you arrive more than 15 minutes late, you may be asked to reschedule your appointment, which will result in a *late cancellation* charge.

**Payment:** Payment is required at the time services are rendered, whether you are a self-pay client or have insurance benefits. Please note: if you are unable to provide payment at the time of service, you will not be seen and your appointment will be considered a *late cancellation*. You will be charged for the appointment time. Acceptable methods of payment include cash, check, and credit card. *The fee for returned checks is \$35. If a second check is returned, you will be asked to arrange another method of payment.*

**Late cancellations/No shows:** For a missed or late cancelled clinical or nutritional appointment, you will be charged the *self-pay* rate for the appointment (unless otherwise specified by your insurance carrier). Please note: both clinical and nutritional appointments must be cancelled by 9:00am the business day before. Please be advised that reminder calls are a courtesy, and you will be billed for late cancellations and no-shows regardless of whether or not you received the reminder message. Repeated late cancellations and/or no-shows may result in dismissal from treatment, at our discretion.

### **INSURANCE:**

Insurance co-payments are due at the time of service. If your insurance deductible has not yet been met, you will be billed the full charge for services. As a courtesy to you, we will bill rendered services to your insurance carrier. We cannot guarantee insurance coverage, nor that the information provided by your carrier is accurate. In the event of non-payment from your carrier, you are responsible for payment to Chrysalis for services rendered and you will be responsible for handling any disputes with your insurance carrier. *It is your responsibility to be aware of your insurance benefits and needs for pre-authorization. Any services not covered by your insurance are your responsibility.*

Please note: treatment information including diagnosis, type of treatment, costs of service, dates of service, and providers, may be shared with your insurance carrier for reimbursement purposes. Please be aware that any information communicated to your carrier may affect your benefits. If you decide to file through insurance, we reserve the right to share this information with your carrier upon their request.

**Medicaid/Medicare:** Co-payments are due at the time of service. You are also required to present your Medicaid or Medicare Card at each visit. Failure to present your card may result in your not receiving services. If your Medicaid or Medicare coverage has lapsed or terminated, please be advised that you will be responsible for payment in full for services rendered during that time.

### **OUTSTANDING BALANCE:**

You are responsible for paying any outstanding balances due on your account. Once we receive an Explanation of Benefits from your insurance carrier, your balance may be adjusted based on your carrier's allowed amount. If an account accrues two or more unpaid sessions, ongoing services may be immediately postponed until full remittance is received. Please be advised that if Chrysalis does not receive payment in full for services rendered, your treatment may be discontinued.

If you are unable to pay your balance in full, a signed *payment plan agreement* will be implemented immediately. Failure to adhere to your payment plan is grounds for discontinuation of services. If you previously discontinued your care or were discharged from

treatment, and you desire to resume receiving services at Chrysalis, you will be expected to remit any unpaid balance prior to being seen. Payment plans may be arranged with the Office Manager or Accounts Receivable Manager.

**Late Fees:** A late fee of \$25 will be charged to accounts that are not paid within 30 days of receipt of the first bill. If payment is not received by the third billing cycle, your delinquent account may be referred to collections and you will be responsible for all associated collections and fees.

**ADDITIONAL SERVICES**

In some circumstances, depending on the time involved and nature of task, you may be charged for additional services, such as extended sessions, scoring for psychological testing, preparing a psychological report, writing letters of advocacy or documentation on your behalf, extensive clinical coordination, and extended consultations with other providers regarding your treatment.

**Phone Calls:** Typically there is no charge for phone calls. However, phone calls that are extended and/or that constitute therapy may be billed at our self-pay rate.

**Testing Fees:** Charges for psychological testing apply to all tests taken and scored. Sometimes, insurance companies do not reimburse for testing. In this event, you will be responsible for uncovered testing costs at our self-pay rate.

**Conjoint Sessions** (with more than one therapist): Conjoint sessions will be billed according to your benefits, which may result in a self-pay rate.

**Case Management Fee:** Extensive services that involve clinical coordination and continuity of care may constitute an additional fee that is separate of therapeutic services.

*Please initial at each line and sign below to indicate that you have read, understood, and agree to the above policies. For minors, parent/guardian must sign.*

\_\_\_\_\_ I have discussed these policies and addressed concerns and questions with the Office Manager or AR Manager.

\_\_\_\_\_ I have been offered a copy of these policies to take with me if I desire.
